- Google Workspace

Experience

Event coordinator | Padma kanya campus | June 2022-December 2023

- Organized logistics for events, handling venue arrangements, catering, and guest invitations to ensure smooth and memorable experiences.
- Managed on-site coordination during events, immediately addressing any issues and ensuring positive experience for all the participants present in the event.
- Demonstrated strong teamwork, creativity and problem-solving skills in a smooth, fast-paced and dynamic event planning environment.

Primary School teacher | Everest Higher Secondary School | September 2019-March 2020

- Implemented interactive teaching strategies that not only significantly increased student engagement and participation levels but also created a more dynamic and stimulating learning environment.
- Encouraged strong relationships with parents through regular communication and organized parent-teacher conferences, contributing to a increase in parental involvement and support.
